Time : 2 hours

[Candidates are required to give their answers in their own words as far as practicable. The figures in the margin indicate full marks.]

Attempt ALL the questions.

1. Read the following story and do the activities given below.

Forgiveness of the King

Once upon a time, there was a king. One day, he was on a tour with his ministers, including his royal security and courtiers. He was taking a rest under the shade of a mango tree in a mango garden. Suddenly, a stone hit him on his forehead. It started bleeding immediately. The king had no idea who threw the stone at him. He was experiencing an intolerable pain. The security left to find the person who threw the stone. After a long search, they found only an old lady there. They asked if she had thrown any stone recently.

"Yes," she replied. "I threw a stone at the mango tree." They asked her, "Did you throw any stone at the king?" The woman didn't answer but turned pale. The woman was arrested and presented before the king.

She trembled with immense fear and prayed that they would not kill her. She saw the blood flowing down the king's face. After seeing this, she become more upset and felt hopeless. "What will happen to me?" she thought.

A. Write 'True' for true statements and 'False' for false statement. [5X1=5]

- The king was travelling alone.
- A stone hit the king on his forehead.
- The security immediately found the person who threw the stone.
- The old woman admitted to throwing a stone at the king.
- The woman felt scared after seeing the king's blood.

2. Read the following text and do the activities given below.

Rara Lake is the biggest lake in Nepal. It is located in Mugu district of Karnali Province. It covers a water surface of 10.8 square kilometers and it is 167 meters deep. It is situated at an altitude of 2990 metres with the beautiful surroundings around. It is an important tourist site of Rara National Park.

There are many amazing features of Rara Lake that the visitors can see and feel. One of the interesting things about Rara Lake is that it is a colorful lake. It exhibits three different colors in a day. The reason is still unknown. Similarly, the background of the lake keeps on changing time and again. It is also another mystery about Rara.

The next amazing feature of Rara Lake is its mirror effect. The water of the lake is crystal clear. People do not even feel that they are on water while boating. While boating on the lake, the visitors are amazed by the view of hills and green forests at their front and exactly the same inside the water with their own images.

A. Complete the following sentence with the correct word from the text. [5X1=5]

- The Lake's background often changes which makes Rara Lake
- The reflection of hills and forests in the water creates a effect.
- Visitors feel amazed by the scene of reflected

3. Read the following text and do the activities given below:

Diary Entry

Date: 21 November 2025

Day: Friday

Today was an amazing day at school. In the morning, our teacher announced that we would be working on a group project in science class. I felt thrilled because I truly enjoy collaborating with my friends. Our team created a detailed model of the solar system using colorful paper. I crafted the planet Earth, and it turned out beautifully.

During lunch break, I played football with my friends. Our team won the match, and we all celebrated with great excitement. After school, I walked home with my cousin. We talked about our upcoming exams and agreed to study together this weekend. In the evening, I helped my mother prepare dinner. She showed me how to chop vegetables safely and carefully. After dinner, I completed my homework and spent some time reading a storybook before going to bed.

I feel delighted today because I gained new knowledge and enjoyed wonderful moments with my friends.

– With Love
Ashmi

A. Rearrange the following sentences in the correct order. [5X1=5]

- The cousins showed commitments to study collaboratively.

- ii. Ashmi enjoyed learning new things.
- iii. The teacher gave the students a task to complete in a team.
- iv. Ashmi learnt some kitchen skills.
- v. Students made a beautiful model of the Earth.

4. Read the following text and do the activities given below:

Long Walk to Freedom: A book Summary

Long Walk to Freedom is Nelson Mandela's autobiography, where he tells the story of his life and his long struggle against apartheid in South Africa. Mandela begins by describing his early years in a rural village, where he grew up learning about tradition, community, and leadership. As he grows older, he moves to the city, studies law, and begins to see the unfair treatment of Black South Africans under the apartheid system.

Mandela explains how he joined the African National Congress (ANC) and became deeply involved in the fight for equal rights. At first, he believed strongly in peaceful protest but as the government became more violent and oppressive, he and others decided they must take stronger action. Because of his activism, Mandela was arrested many times and eventually sentenced to life in prison.

He spends 27 years in prison, facing hardship, isolation and the pain of being separated from his family. Still, he never loses hope. He continues to lead, learn and negotiate for a better future.

The book ends with Mandela's release, the end of apartheid and his election as South Africa's first Black president. His story shows courage, patience, forgiveness, and a deep commitment to freedom and justice.

A. Match the following words in column 'A' with their meanings in column 'B'. [5X1=5]

Column 'A'
